MATE BAIT

Fishos use their dead pal to catch a whopper!

TWO Pommy fishermen used the ashes of their dead mate as bait to catch a yooooj carp.

Buds Ron Hopper, Paul Fairbrass and Cliff Dale, all from Hull, England, had booked themselves a fishing trip to Thailand, but Ron kicked the bucket from cancer before they could go.

Paul and Cliff figured they couldn't let Ron miss out on all the fun, so they took his ashes with them, mixed him up with some other gear to make up some bait pellets, hooked Ron up and CAST HIM IN.

And fuck us if they didn't land this 82kg LARD GUTS of a Siamese carp!

"We were gutted that Ron couldn't come on the trip because he was really looking forward to it, but he was definitely with us when we caught that fish," reckoned Paul.

"It seemed like it was destiny we would use Ronnie to catch one of the biggest fish in the lake. It's what he would have wanted." Picture

Valentina Nappi landed her dream job

JOB satisfaction – it's good to have, but hard to come by. You think Donald Trump LIKES being president? Nah, he'd prefer to be out playing golf.

So it's great to run across someone who can't wait to get out of bed in the morning and DO THE BIZ.

Even though, hilariously enough, a lot of her job entails getting INTO BED to do the biz.

We're talking about Valentina Nappi, and if there's a more enthusiastic porn star on the

planet, well, we'd like to meet them.

Valentina loved porn before she was in it.

"I've always watched porn. I used to watch it and say to myself, 'I wanna do that,'" says the sultry Eyetie fucktress.

"Then when I started in porn, I knew I wanted to fuck this actor and that actor. I used to masturbate to all these people, then I got to perform with them."

Yep, it's a dream come true, but Valentina doesn't reserve her beaut hairy cooze for all the six-packed blokes with big schlongs and great hair that usually inhabit the world of porn.

"One day I was fucking this fat guy with a short dick and he turned me on so much," she recalls MOISTLY. "I kept touching his boobs. I like man boobs."

As well as rooting chubsters with beer-guts, Valentina does girls, trangenders (man to woman AND woman to man) and pretty much anyone who doesn't have bad breath and shows up for work on time.

Yep, we reckon she'd be a fun gal to have around the joint.

Betcha she'd never nick ya sangers from the office fridge or take all the milk, either.

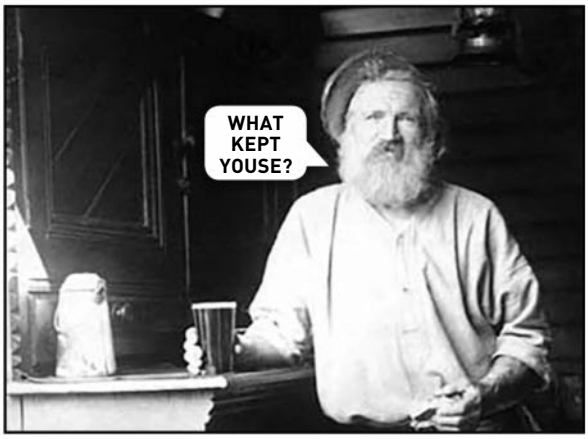
Love ya WORK!

"I'VE ALWAYS WATCHED PORN"

News Flash

Believe it or not, this shit happened!



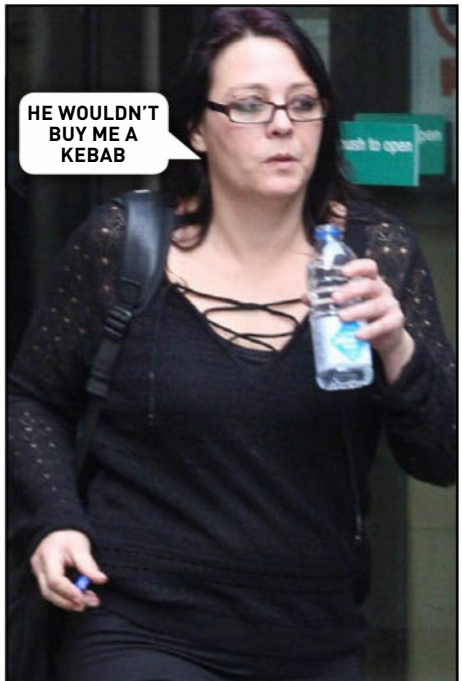
OPENING TIME

A GHOST pub lost for generations has been uncovered on a building site in Parramatta, NSW. Builders digging the foundations for a new 29 storey apartment block discovered the remains of the long lost Wheatsheaf Hotel, built in 1801. The pub had been built over a couple of times, then forgotten about, like the ancient city of Machu Picchu in Peru. Only it's a PUB, so it's BETTER.The fossilised remains of an ancient chicken schnitty, some losing TAB tickets, and the questions for a pub quiz were also found.

#310 WE DREW A COCK ON IT

BALL-BITING BITCH

A MAD bitch has been convicted of biting off her ex-boyfriend's left nut in Edinburgh, Scotland. Nunzia Del Viscio claimed she was acting in self-defence when she ripped Marcello Palma's trouser globe out of his ball bag with her teeth. She admitted having consumed a shit-load of vodka and beaut DRUGS in the lead-up to the de-ballsing, which came about when he refused to take part in a threesome. When the ambo arrived the medicos rushed the poor bloke to hossie, where his taddy dispenser was re-inserted in his SCROTE and 15 stitches put in.



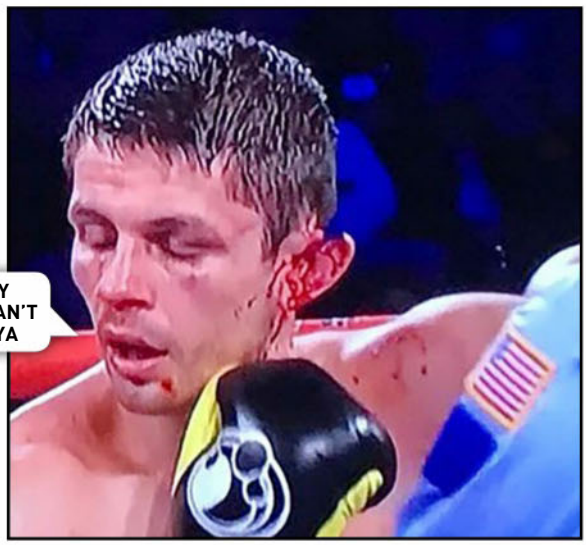
PLEASED TO MEAT YOU

LOOKS like Uruguay could be a great place for a holiday. The Uruguayans recently celebrated the joy of burning meat by staging the biggest barbecue in history, hoisting 16,500 kg of cow onto a football field of charcoal-filled barbies at Rodsay Park, in the city of Minas. Chefs from 150 steak restaurants came along to cook the mouth-watering grub, apparently enough to feed 38,000 people. Eight tonnes of salad were also served up, left on the sides of peoples plates, then chucked away. Downwind of the barbie, the resulting flood of drool washed away several villages.

SHAAARRK!

A MASSIVE white pointer has been filmed cruising just off a WA beach. Filmmaker Dave Riggs recorded the monster noah with a drone as it was tooling around off Fourth Beach, Esperance. Riggs reckons it was around six metres, but when you consider that the boat in the pic is 8.5 metres long, that might be a underestimation. Nobody was in a hurry to jump in the water with tape measure, but. Briggs reckoned the shark was hanging around to munch on dead whales, as they do.

STOP FUCKEN PRESS



NOW EAR THIS

POMMY boxer Steven Smith not only lost his super featherweight fight against Mexican former champ Francisco Vargas the other day, he almost lost his fucken EAR. Smith and Vargas were going at it in the ring in Las Vegas when they bashed heads and Smithy's ear was shredded like a lettuce leaf. Bravely – maybe even STUPIDLY – the pommy pug punched on, but at the end of the ninth round the ringside doc stopped the fight. Not that it made much difference to the result, cos Vargas was creaming him. Smithy went off to hospital and later tweeted that the docs had sewn his ear back together and he was SWOIT.

HE'S ARMLESS

RUSSIAN knobhead Kirill Tereshin, 21, who achieved internet fame by injecting shit into his arms to give himself huge fake biceps, has been told he'll probably have to have his arms amputated as the lidocaine, alcohol and olive oil he injected is causing abcesses. But Krill don't care. "I got 106,000 subscribers in my Instagram. I love to be recognisible!" the dope says.

Twin PEAK

Ray and Romi have some squirty fun

THE thing is with twins, you have to buy them the same Chrissy presents otherwise they get jealous.

So naturally, towering 1.82 metre-tall identical twin spunks Ray and Romi had to have matching water pistols this year.

And just as naturally, they had to be photographed COMPLETELY NUDE on the beach with their new toys.

'Cos being nude is a way of life for these 22-year-old Seppo model twins.

"My days are usually spent naked," reckons Romi, while Ray avows: "Clothes and I just never got along."

Fair enough. No argument here. Picture

The TOCKLEY AWARDS

Who'll take home the shiny gold cocks?

MOST awards are like the Melbourne Cup – nobody gives a shit who wins, everybody's just there for the piss-up and a blowie in the car-park afterwards.

The Oscars, the Grammys, the ARIAS, Australian of the Year – it's all the same MINDLESS CRAP.

But not the Tockleys, fuck ya.

THE PICTURE's much sought-after gongs are appreciated for what they are – awards for excellence in all sorts of fields, from spiffy hair-dos and innovative beer-based desserts to stripping and porn, and heroes from all walks of life.

Respected the world over for being totally fair and unbiased, the Tockleys are the last bastion of EXTREME BEAUTNESS in a world gone to shit on a shovel.

The massive boozing and incidences of oral sex that follow are ENTIRELY COINCIDENTAL. The Picture

Foreign Spunk of the Year

Kylie Page

Once upon a time there were only two Kylies in our life – Minogue, and our trainee newshound, Kylie the 'Prentice. But since meeting blonde and boobsome Seppo porn newcomer Kylie Page in issue #1426 we've made the other two scrunch up on the couch and give her some room. Welcome to our world, Kylie P!

Invention of the Year

VB gelato

As we told you in #1432, mega-genius Frank Bailey came up with this holy grail of frozen treats at his shop, Zanette's Gelati, on the Gold Coast. It's the best thing to happen to ice-cream since the SPOON!

Aussie Politician of the Year

Jacqui Lambie

The only polly who's even come closed to starting a full-on scrag fight on that shit ABC show *Q&A*, with that Yassmin Abdel-Magied sheila. You have to give her credit for that. Next time they oughta get someone to hold their coats, form a circle around 'em and let them go for it. Our money's on the Lambster.

Hairdo of the Year

Ross Smith

The winner of our Oz's Best Mullet contest, (#1437) Roscoe beat hundreds of other worthy contenders to win. His is truly a do among dos. But we also give honourable mentions to North Korean whacko Kim Jong-Un's short back 'n' sides look and the USA's equally bonkers Donald Trump's crazy comb-over.

Porn Star of the Year

Angela White

She has scaled the heights of international porndom as no other Aussie before her, both on-screen as a champion rooter and off-screen as a cluey businesswoman. And she never forgets to drop us a postie to let us know how she's going. Ange, we've got a big, shiny Tockley here waiting for ya!

Stripper of the Year

Ashton Avenue

Named at the Australian Adult Industry Awards as Oz's hottest stripper two years in a row, Ashton was our #1442 pin-up, and our new best mate due to her hot-as-fuck bod and her happy attitude. "I must have done something truly good in a past life to get paid to cover myself in oil and scissor another hot chick," she said.

Reality TV Star of the Year

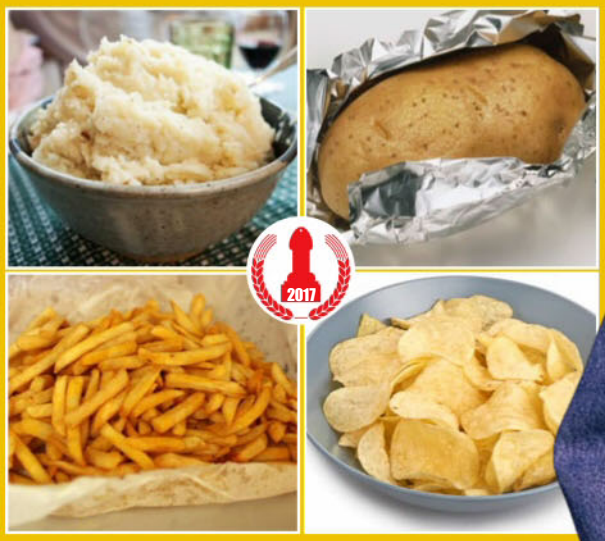
Simone Ormesher

Yeah, we know – reality TV is the manky crust around the devil's anus, but Simone shone through the steenky mess that was this year's series of *The Bachelor*. Why? Because WE KNEW she was a PICTURE girl at heart, having already appeared STONE BOLLOCKY NAKED in our mag FIRST. And that over-rides all. Tockley-fied!

Vegetable of the Year

The Spud

You can fry it, you can mash it, you can bake it. You can throw it at the neighbour's dog when it craps on your lawn. You can draw a face on it and talk to it when you're lonely. You can stick it down the front of your Speedos and pretend you've got a big dick. The spud. The only veg you'll ever need (sorry, turnips).



Critter of the Year

Pearl the white saltie

Just when we thought we couldn't get any more fonder of the NT's saltwater crocs and their zany tourist-munching habits, along comes Pearl. Zombie ghost croc or bizarro genetic freak? We don't know and we don't care. Pearl gets a Tockley.

Posthumous Tockley for Most Missed Bloke Of The Year

Malcolm Young

Played strong. Done good. Made a little ol' band from Oz the best band in the world. Nothin' more to say.

Singer of the Year

Taylor Swift (probably)

She came to our Friday arvo piss-up, shouted her round, chugged beers and bourbons, got her tits out, sang along to her songs on somebody's phone, then left before we could thank her. At least, we're pretty sure it was her. Well, she was blonde and she knew all the words, eh.

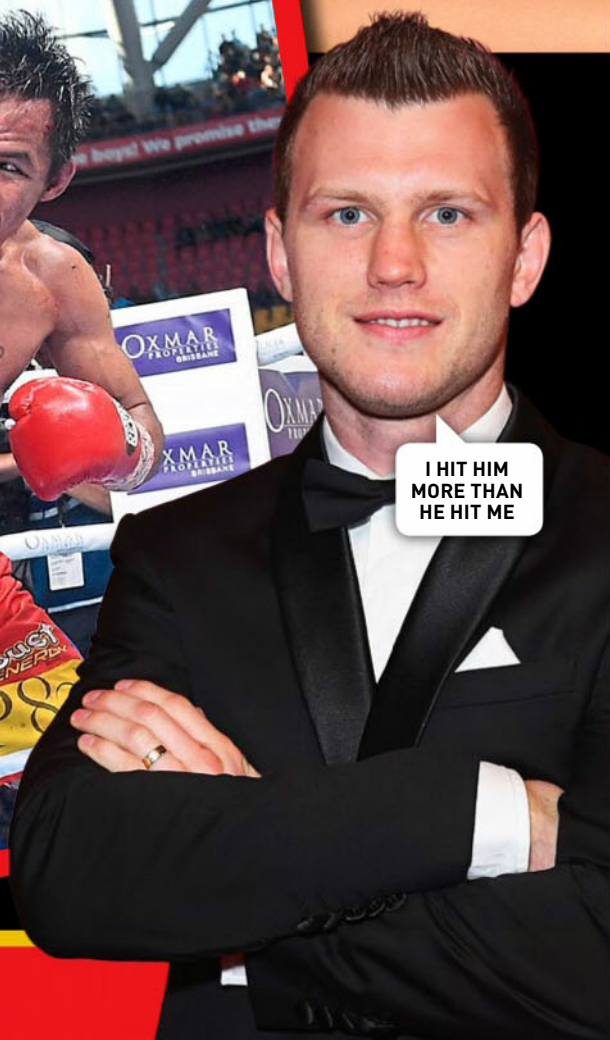
2017

2017

Sportsperson of the Year

Jeff Horn

He punched his way into the hearts of the nation when he belted Manny Pacquiao all over the park up in Brissie. We're all staunch hetero blokes here at THE PICTURE (apart from the sheilas) but Jeff, you really gave us the Horn. Have a Tockley.



Aussie Success Story of the Year

Charlotte Star

Many strive, but few succeed, to make the transition from Home Girl to PICTURE cover girl. Former NSW Homie Charlotte Starr did it, making the cover of issue #1429, stopping off to film a few PANTS-ENHANCING pornos on the way. "I wouldn't say I'm a full-on nympho, but I'm close!" she told us. Give that girl a Tockley!

Beer Snack of the Year

Twisties

You can shove ya corn chips up ya arse. This long neglected Aussie classic is the Don Bradman of beer snacks. Cheesy, salty, crunchy, shaped like a Martian's turds, and that radioactive yellow colour... magnificent!

YOUNG PEOPLE ARE THE FUTURE!

Cougar of the Year

Heather from Redcliffe

Heather, 56, who was featured gloriously nude in issue #1423, became a national treasure when she told us about her recent rooty fun with a 25-year-old bloke, who she reckons she "taught a thing or two." That's the kind of education we need in this country if we're gunna be cleverer than the Chinese!

2017 PARENTS OF THE

TATT
FUCKE

There's a lesson to be learned here – think before you

YOU'VE just had 92 beers, you can't fucken scratch yourself, and your mates say they'll pay for it – perfect time to get a PERMANENT REMINDER of your night out in the form of a really stupid tattoo!

It's a scene re-enacted on Saturday nights around the world where ever people gather to get hammered and do dumb stuff.

So before you hit the tatt studio and gurgle: "Giz a winged purple dildo on my dick," check out these tattoo disasters. Picture

Russian babe Samantha Lily puts her J-cup juggernauts to good use in titty-oriented porn but they're also her best mates. "I really enjoy playing with my breasts," she says." I love to feel them in my hands."

BIG NATURALS!

Made by God. Drooled over by man

THE tree-huggers are always telling us to give nature a fair go, so we've taken that on board and come up with this PICTURE tribute to all-organic, un-fucked-with BOOBITUDE.

Not that we don't appreciate a beautifully engineered set of bolt-ons, but sometimes we like to to embrace our inner hippie and go free-range.

So bung on ya hemp T-shirt, smoke some kale and see if you can crack an ALL-NATURAL FAT over this collection of GOD-GIVEN GAZONGAS. ■ Picture

JANA

It's seems like only yesterday that Czech model Jana Defi launched her amazing G-cup gazongas on an unsuspecting world, but it was actually 12 years ago! How time flies when you're having fun, eh.

BIG NATURALS!

PAVLA

Known as Samantha to some, Domenica to others, exact info on Pavla and her boobs is hard to find. One thing we do know, but, is that if she wants to keep them from getting sunburnt, she's gunna need a bigger hat.

KARIN

The model formerly known as Lucy C was a big-tit phenomenon during her brief career (2007 to 2010). Now she and her G-cups have returned under her real name of Karin Spolnikova. We're still very impressed!

RACHEL

Pommy topless model Rachel Aldana's tits are as natural as Uluru, and nearly as big. They peaked at an N-cup in 2013, and have now settled down to a L-cup. Phew! For a while there we were a bit scared.

BIG NATURALS!

ALEXYA

This Romanian model's norks have fluctuated a bit since her debut in 2014, so we can't tell their exact size. At a guess, we'd say ENORMOUS. She also likes rubbing them against other girls' titties which is nice.

HITOMI

After a nine-year career in Japanese porn, Hitomi Tanaka's hooters look fresh as ever. Must be all that beaut spoof that's been rubbed into them! They're officially an N-cup, which we think stand for "nuclear".

CODI

Codi Vore, 22, is a native of Las Vegas, so it's a lie that nothing grows in the desert. Codi and her K-cup corkers started web-cam modelling in 2015, then moved on to porn. Now the world's her lobster!

BELLA

From Cardiff in Wales, Bella Brewer first got her Welsh rare bits out for the camera less than a year ago, but what a sensation those K-cups have caused. This 21-year uni student will be a big girl when she grows up!

SARA

Sara Willis, 30, from Brighton, Pomgolia, has a problem – her tits won't stop growing! A TINY G-cup when she started in the model game in 2010, they were last rated as an L-cup. At this rate they'll take over the world!

NOELLE

At a mere DD-cup, Noelle Easton's norbets are the babies in this bunch of bodacious boobs, but we don't love them any less for that. This 22-year-old Seppo, is pursuing a career in porn. We wish her all the best.

BIG NATURALS!

HELL NO, WE WON

YOU know how it is – the bush tomatoes are budding nicely in the backyard, you've just perfected your home brew set-up and your new satellite dish can pick up shit from MARS.

Then some cunty developer comes in and wants to knock down ya house for a highrise, or the FARN GUMMINT wants to put a freeway through it.

FUCK THAT. Some of us believe there are things more important than money – beer, choof and EXCELLENT TV RECPTION among them.

So we salute these highly principled – and probably SLIGHTLY INSANE – champions for standing their ground and stayin' in the ol' homestead, no matter what.

IAM BAM

THANK YOU

am!

Fit 40-year-old likes rooting more than blokes like beer

YOU'RE currently cracking a FAT over one of Oz's hottest 40-year-olds. And this is the FIRST TIME the beaut Brisvegan has decided to send her pics into a magazine.

"I just thought it'd be a fun thing to do," laughed stiffy-inducing Sam. "I think I look pretty amazing for my age."

You're not wrong! Were you nervous?

"No, my husband takes nude photos of me all the time. I'm pretty comfy without clothes. Especially in the bush."

You've got a beaut rig on you! What's your secret?

"I keep fit from doing lots of horse riding. I even got my own horse a couple of years ago. It's so much fun."

Is your favourite rooting position cowgirl?

"It's certainly one of them. I like to mix things up and try new things. My man and I once got caught having sex on a local oval many years ago. It was pretty funny."

Have you ever made a sexy video with your bloke?

"Plenty. We've got heaps of them, but I'd never put them on the internet or anything. You just don't know who'd end up watching it."

What kinky stuff are you into, Sam?

"Depends what you call kinky. Probably lots of things really. My husband and I like swinging, threesomes and that sort of thing. Recently I had sex with two guys at once."

Wasn't it a bit crowded?

"No, it was fun. More than two guys might be a bit much to handle, though."

Something you'd never do again is...

"Nothing. I've got no regrets. It's fun to be adventurous with sex and I always want to be trying new things. Life's too short." ■Picture

Don't worry, readers – the shark survived!

SEAL BITES SHARK

EVERYBODY gives great white sharks a hard time, just because they eat people and that. Sure, they're VICIOUS, MURDERING CUNTOXEN, but that's just what being a shark is all about. You don't blame dogs for pissing on fences, do you? It's the same thing... sort of. So we have to side with the shark in this dramatic encounter between a four-metre whitey and a Cape fur seal in South Africa. Our photo clearly shows the bastard seal sinking its dirty yellow fangs into the sharks face, even though we suspect the noah was lonely and just wanted a KISS and a CUDDLE. And what did he get? A bite on the schnozz! Shit act, seal. Where's the love, you fish-guzzling bastard! Beautly, the sooky ol' sharky managed to fight back and rip the bastard seal's guts out. The he ATE IT. He probably felt very badly about it afterwards, but.

SHIT! IT'S A NAVY SEAL!

Talking Dirty WITH TRINITY

DIRTY TALK

G'DAY TRIN, I'm fed up of chicks with potty mouths. It makes me sick hearing a woman swearing and behaving like a feral animal. I thought maybe you could lead by example, stop being so foul-mouthed and start a change amongst women.

CRUMBS, BRENDALE, QLD

TRINITY SAYS: ***Mate, there's no need to be so fucking up-tight. This is Australia, we love a good filth word or two. I call my mates sexy cunts all the time. If you don't like chicks who swear, then don't go for one. You can't expect people to change just 'cos you don't like something. Truth be told, I could probably swear a little less.***

"I LOVE A GOOD, LARGE LOAD!"

THE GANG'S ALL HERE!

YOU ever had a group shag, Trin? I host a regular gang-bang at my parents place when they're out of town, if you're interested in coming along? You could even bring a mate. We have porn playing on the big TV and everyone brings a plate of finger food (gluten free, as there are a few celiacs amongst us) and their own soft-drinks. Let me know what you think.

N.Z., MOOGERAH, QLD

TRINITY SAYS: ***Yeah, I've had group sex. I tried it when I was in my early twenties but haven't participated in one for a while now. I've also hosted a few swingers' parties and done shows at a few clubs. They're loads of fun!***

SHOW OFF

WHAT'S the biggest cock you've ever seen, Trin? Wanna see bigger? Hit me up, toots.

P.K., ESPERANCE, WA

TRINITY SAYS: ***Eleven inches, in the flesh. It was kinda skinny though. Length is good, but I'm more of a girth girl. I love a good tight fit.***

GET YA BUZZ ON!

HEY Trin, I'm currently working as a FIFO worker in the mines and have to spend

Velvet Cream Imagery, Krusty B

a fair bit of time away from my wife. We chat all the time and occasionally Skype, but we both find it weird masturbating on cam to each other. Have you tried any of those long distance sex toys? The ones where I can control the vibrations on her clit and vice-versa?

S.D., RICHLANDS, QLD

TRINITY SAYS: ***The We-Vibe is perfect for long distance play. It comes with an app that controls the toy, so she can insert it but you control things like the speed and strength of vibration. So much fun!***

TAKE A LOAD OFF

HI TRINITY, I'm dating this new guy and the first time we had sex he surprised me by how massive his load was. Like, more semen than I'd ever seen before. I thought it might've been a one-off, but every time we have sex he shoots what feels like an even bigger load than last time! It doesn't bother me (except that it makes clean-ups a little more difficult), but is there a reason why? He has big balls, if that means anything.

K.N., HURSTVILLE GROVE, NSW

TRINITY SAYS: ***Some guys just produce more than others. I personally love a good, large load! Depending on how often the guy masturbates, or if he's on steroids or medication, he could produce much less.***

GAY FOR PLAY

HEY Trin, whenever I go to the clubs I always see chicks pashing other chicks and making all the blokes horny. Reckon it would work the other way round – if I get a bit gay with one of my mates, will hot chicks wanna fuck me?

P.O., HALIDON, SA

TRINITY SAYS: ***Haha! Probably not, I'm sorry to say. Girls might laugh and enjoy the show, then treat you like a best friend, but it's highly likely it's going to turn them on.***

COCK-UP

I GOT my missus a rubber cock a few months ago, but the thing has just sat in its box since then. We've both never really used a sex toy so are hesitant to bust it out. How do we use a rubber dick? Do I just ram it up her snatch? I'd just rather use my own cock than a fake one for that.

K.L., GOMERSAL, SA

TRINITY SAYS: ***Mate, use your fucking imagination, seriously. Try a DP – fuck her in the arse with the toy while you root her pussy, or vice-versa. Watch some toy play porn and get some ideas, there's loads of things you can do.***

TRINITY'S SEX TIP

Here's an idea to give your sex life a jump-start. Play a sexy game of hide and seek. Simply book a hotel and give your partner a list of clues for them to make their way to your room, where they'll find you stretched out sexily ready to fuck! They'll be bursting with anticipation by the time they get there and be ready to ravage you!

GOLLIE GOSH

I WAS fucking this bird recently and while riding me cowboy, she spat in my face! I was shocked, but she kept going like it was normal. We both kept fucking and neither of us mentioned it when we finished. She's a regular fuck and I'm scared she's going to do it again. Is this some new sex thing I'm not aware of?

K.B., WEHLA, VIC

TRINITY SAYS: ***Mate, spitting is sexy as fuck. There's spit and then there's sexy spit, so you need to decide what works best for you both.***

PISS OFF

MUNGO, how do you celebrate New Year's Eve? Big party? Fireworks? An orgy maybe?

F.J., NEW FARM, QLD

MUNGO SAYS: New Year's Eve is for losers. You know what I call it? December 31. I do have a ritual for first thing New Year's DAY, but. Each year on January 1, at around 6am, I go across the road and piss on the front door mat of this prick who lives over there. And he's never worked out who it is. It's just a little thing, but it keeps me going year to year.

BONJOUR from the bush! Here I am flashing my tits in front of the five-metre tall Big Bogan in Nyngan! I had some time to kill before taking my dog (called Bitch) to the vet. One would say the statue didn't need to be that high though, as one can only kiss its knees...

B.H., BOURKE, NSW

MUNGO SAYS: Yeah, he's a bewdy, but if it's really authentic he'll also have some haemorrhoids and a bad liver. Take a peak up the leg of his shorts and see if you can spot the piles. And so what if you can only reach his knees – if you stand on a couple of slabs you should be able to LICK his reinforced concrete old fella. Up here for thinkin', B.H.!

ATTACK OF THE CLONES

OI, BUMFACE!

HEY, I got an Attack of the Clones for you – your face and my arse!

M.L. MASCOT, NSW

MUNGO SAYS: Mate, if that really is your arse, I've gotta give it to ya – the resemblance is extraordinary. We could be twins. Looking at your arse is like looking into a mirror for me. But if you've photo-shopped that on there, then you're just being a cheeky cunt.

MUNGO WANTS TO KNOW...

Ways to improve Australia. Yeah, I know it's pretty near fucken perfect, but surely you can come up with some constructive ideas about how we can fine-tune the joint. I'll pay ya and everything.

MY LIFE'S WORK

MUNGO, they've re-introduced bottle deposits in NSW, bunging 10 cents on the cost of every beer I down. I tried to find an upside to this, and I think I've got it – if I drink more beer and give the bottles to some poor cunt, 'cos I'm too fucken lazy to cash them in, then I'll be making somebody better off while I get hammered. And if my missus gets on my case about being a fat, beer-swilling prick, I can point out I'm doing it to help my fellow man. I might even get a knighthood. But that's not important to me. I just like to give something back.

K.O., LALOR PARK, NSW

MUNGO SAYS: Jeez, mate, I'm getting all misty. Lots of people talk about helping out, but you're fucken doing it. Bless you, son. In fact, I think I'll get maggoted and help out, too.

DON'T SAY A WORD

MUNGO, the other day some horrible sheila with a face like a shredded radial told me to shut up because I was 'mansplaining'. I had never heard this word before and didn't know what it meant. I wondered if you could enlighten me.

COL, LUGARNO, NSW

MUNGO SAYS: Sure. Mansplaining is when a man tells a woman something she doesn't know, which, by definition, is a pretty wide-open field. Women hate it because... just because. They CAN get dead-set ropey about it. So best to not tell 'em anything. And if they ask you something, pretend you're a deaf-mute.

You're Joking

MY WIFE and I view sex differently. For instance, I view it in porn magazines and on the Internet.

M.J., ADELAIDE, SA

SEVERAL years ago, Andy was sentenced to prison. During his stay, he got along well with the guards and all his fellow inmates. The warden saw that deep down, Andy was a good person and made arrangements for Andy to learn a trade while doing his time.

After three years, Andy was recognized as one of the best carpenters in the local area. Often he would be given a weekend pass to do odd jobs for the citizens of the community... and he always reported back to prison before Sunday night was over.

The warden was thinking of remodeling his kitchen and in fact had done much of the work himself. But he lacked the skills to build a set of kitchen cupboards and a large counter top, which he had promised his wife. So he called Andy into his office and asked him to complete the job for him.

But, alas, Andy refused. He told the warden, "Gosh, I'd really like to help you but counter fitting is what got me into prison in the first place."

JOKE OF THE WEEK WINS $100

THREE blokes die on Christmas Eve in a tragic shopping accident. When they get to the pearly gates, St Peter asks them to prove their goodness by showing him they've got something Christmassy on them.

St Peter's pretty sloshed at this point, and he figures he's allowed to have a bit of fun with his job. The first bloke finds a cracker, and gains admission to heaven.

The second bloke searches his pocket and finds some mistletoe. St Peter, in the spirit of the season, summons on angel to give him a kiss on the pecker, and lets him in.

The third bloke's searching frantically, but all he can find is a pair of panties. He hands the frilly knickers to St Peter.

"What the fuck?" says St Peter, very saintfully.

The bloke replies, "They're Carol's!"

DOOGAN, MARCUS HILL, VIC

A MAN wasn't sure which of three women he wanted to marry, so he gave each $10,000 to see how they used it.

The first woman went to the store, bought the man new clothes, new furniture, and new electronics for his man cave. The man was impressed.

The second woman put the money in the bank, to show how responsible and thrifty she was. Again, the man was impressed.

The third woman invested the money and turned the $10,000 into $20,000. Again, the man was impressed.

The man thought for a moment about how each woman had handled the money, and then he married the one with the largest boobs.

SCUD, WENGENVILLE, QLD

I ASKED 100 women which shampoo they preferred. The top answer was, "GET THE FUCK OUT OF MY BATHROOM!"

Q. WHAT DO YOU CALL A CHAMELEON THAT CAN'T CHANGE COLOUR?
A. A REPLTILE DYSFUNCTION.

B.R., BRONTE, NSW

IN EARLY December, a wife wakes up and says to her husband, "I had the strangest dream last night. It was Christmas, and our tree was decorated with all kinds of cocks. White ones, black ones, circumcised and uncircumcised, big and small. And on the top of the tree was the perfect penis."

Her husband, worried, asks, "Was it... was it mine?"

"Sorry, honey," she replies. "It wasn't."

He says, "You know, it's weird, but I had almost the same dream. A Christmas tree decorated with pussies... shaven and unshaven, thin and thick lips, scented and unscented... and the one on the top was the perfect pussy."

She says, "I suppose that one on the top was mine?"

He says, "Nope. Yours was holding up the tree!"

"Don't have sex, men. It leads to kissing and pretty soon you have to start talking to them."

"I'VE GOT TO KEEP BREATHING. IT'LL BE MY WORST BUSINESS MISTAKE IF I DON'T."

"I gave my cat a bath the other day... they love it. He sat there, he enjoyed it, if was fun for me. The fur would stick to my tongue, but other than that..."

"I BELIEVE SEX IS ONE OF THE MOST BEAUTIFUL, NATURAL, WHOLESOME THINGS THAT MONEY CAN BUY."

"You know that look women get when they want sex? Me neither."

"ALL I EVER WANTED WAS AN HONEST WEEK'S PAY FOR AN HONEST DAY'S WORK."

"A day without sunshine is like, you know, night."

"I LIKE A WOMAN WITH A HEAD ON HER SHOULDERS. I HATE NECKS."

"First the doctor told me the good news - I was going to have a disease named after me."

"BOY, THOSE FRENCH: THEY HAVE A DIFFERENT WORD FOR EVERYTHING!"

THE JOKE'S ON YOU

THIS WEEK: **MARRIAGE**

MARRIAGES ARE LIKE FAT PEOPLE. MOST OF THEM DON'T WORK OUT.

After a quarrel, a husband said to his wife, "You know, I was a fool when I married you." She replied, "Yes, dear, but I was in love and didn't notice."

Q. WHAT'S THE DIFFERENCE BETWEEN LOVE AND MARRIAGE?
A. LOVE IS ONE LONG SWEET DREAM, AND MARRIAGE IS THE ALARM CLOCK.

Marriage is like a deck of cards. In the beginning all you need is two hearts and a diamond. By the end you wish you had a club and spade.

A MAN IS INCOMPLETE UNTIL HE IS MARRIED. THEN HE IS FINISHED.

Marriage is the process of finding out what kind of man your wife would have preferred.

I'M IN A SAME-SEX MARRIAGE... THE SEX IS ALWAYS THE SAME.

"I MASTURBATE EVERY SINGLE DAY"

SHE might look as sweet as a handbag full of rainbows, but there's more to 25-year-old Bailey Rayne than meets the eye.

The cute brunette from Indiana, USA is actually a HORNY AS FUCK cam-girl who spends her days BEATING THE BEAVER on webcam while blokes around the world send her dosh over the internet. And when she's not doing that she's creating paintings with her FUNBAGS.

"I use acrylic paint and instead of using a brush I use my breasts," explains the PEAKS-OUT PICASSO. "I'm finally putting my fine arts degree to use!"

You're joking, right?

"No, it's true! I sell them. I just sold my last one."

"I LOVE TO SUCK COCK!"

Where do you find the inspiration for your MAMMARY MASTERPIECES?

"My pussy. I masturbate every single day. Once, I masturbated in the middle of the road – that was exciting!"

Have you ever had sex outdoors?

"Yes, it's one of my favourite things to do – in parking lots, public restrooms etc."

What else can you tell us about yourself, Bailey?

"I love to suck cock; it's a lot of fun. And I'm a swallower – the protein is good for you!"

Nat's young, single and ready to mingle

MADE IN OZ GIRL

PERT breasts and a perfect arse: what's not to love about 19-year-old university student and shop assistant Nat.

To make matters EVEN BETTERER this is her first ever photo shoot with her clothes off. And she says she'll do it again.

"I loved it," she told THE PICTURE. "I'd definitely do it again."

Were you nervous beforehand?

"Not really. I'm pretty comfortable with my clothes off. I am nervous knowing that the whole of Australia will be looking at them soon, but."

Will your boyfriend be mad?

"I don't have one. We broke up a few months back. I hope he sees this actually."

Are you looking for a new bloke?

MORE OF NAT'S BAPS AHEAD!

"I LIKE GUYS WHO ARE A BIT ROUGH"
MADE IN OZ GIRL

"No. I'm just happy being single for a while. I can do whatever I want and it's fun."

The types of blokes you usually go for are...

"Scruffy tradie types. I like guys who are a bit rough around the edges. I'm not into pretty boys or weirdos."

Are you getting enough sex?

"Yes. I guess you could always do with more, but I'm not complaining. I met up with this really hot guy just last weekend."

Keep talking...

"We went back to his house after a few drinks and had sex all night. I've never felt so good from sex. He had all the moves. I like a guy who can take control and that's what he did."

Have you got a fave rooting possie?

"Doggy style. It feels a hundred times better than any of the others. I like to be held tight and my hair pulled a bit too. "

Yes, ma'am! Anything else we should know?

"I like fast cars. And I like guys who have fast cars."

We'll polish up the Sigma. ■ Picture

My New Year's Eve Fuck

MORNING GLORY

MY NEW Year's Eve fuck is actually a New Year's Day fuck. It started about 10.30pm on New Year's Eve. I was tuning up this chick and I was sure she was hot for me, too, so we hung together knocking over a bottle of champagne and it started getting handsy.

She began giving my old fella a bit of a rub and when I gave her camel-toe a tickle she bit me on the nipple. So game on, I thought, we may as well have another bottle. Trouble was, both of us had been drinking all night, so as we tucked into the second bottle we just sort of sunk down into a corner and passed out just as everyone was shouting 'Happy New Year'.

Next thing I know, I'm waking up on the floor at around dawn with a hard-on. We're spooning but fully clothed and there's shit everywhere, bottles and streamers and other passed out people. And I'm thinking "Shit, I never got to fuck her!"

Just then the chick woke up and pushed her arse back onto my massive stiffy and started rubbing her crack up and down it.

You know what hangover hard-ons are like – they just won't go away, so I was desperate to get it inside her, and bugger me if she didn't have the same thought. I suppose she was feeling the same as me – just as horny as she was before we crashed out.

So I wiggled her jeans and panties down and released my cock, then slid it into her smoo, which was incredibly wet. I thought we'd just sneak in a quiet one, since we were on the floor in someone else's house, but she had other ideas.

After a few strokes she rolled my on my back, pulled down my strides and straddled me, pulling her T-shirt up over her bouncy young titties.

She rode me like a champion, not caring who was watching, and after we both came we sank back down on the floor and had another snooze.

HAPPY SMOO YEAR!

BEING a horny single girl, I look on New Year's Eve as a challenge – how to make sure I get laid at midnight by some hot guy, but still keep my bachelorette status.

Most girls would cheat and line themselves up a date, but I trust my pulling power, and it never fails me.

Of course, you have to pick the right party, and this year I did – very few couples, nearly all singles, and the guys roaming around all had wood in their pants and were pretty hot.

With about an hour to go I cut one out of the herd and after a bit of flirting I put it on him: "I want you to fuck me at midnight," I told him. "Meet me on the back porch." And then I toddled off to socialise, knowing he'd show up.

As the countdown started I ducked out onto the back porch and sure enough, there he was. I didn't waste any time – I sat him down on the railing, pulled his cock out and gave him a quick suck before ripping off my panties, lifting up my dress and wrapping my legs around him.

He must have been thinking about how I was going to fuck him because his cock was hard as rock and I sensed he was going to come right away, so I backed off.

He moaned in frustration but I didn't want to be left hanging so I started fingering myself in front of him, watching his cock twitch in the moonlight.

I waited until the last second, then jumped on his cock again just as it was about to turn midnight.

They had a big hall clock that went 'Bong! Bong! Bong!' on the hour, and as it was going 'Bong! Bong! Bong!' I was was going 'Bonk! Bonk! Bonk!'.

Mission accomplished.

OOOH! AAAH!

NEW Year's Eve shits me and I refuse to go out, but my girlfriend likes to watch the fireworks, so we compromise and I watch them with her on TV. One year I noticed that every time a big rocket went off, she got a bit turned on – I could tell by the way she squealed and spread her thighs – so I worked out a way we could both enjoy them.

I made sure she'd had a couple of glasses of champagne before it started, and as they began to countdown to their big bang, I started the countdown to mine.

She was only wearing shorts and a halter top, which made it easy for me to start the process by slipping a sly finger into her snatch and tweaking her nipples.

By the time they let off the first crackers she was wet, and when the first big one went off I felt her smoo tighten around my finger.

I slipped a couple more digits in her as the tempo increased, then I swung her around so she could straddle me reverse cowgirl style and I could fuck her while she watched the TV.

It was great! Every time a rocket blew up into a bunch of pretty lights in the sky, she'd go "Oooh! Aaah!" and grind down on my cock, and if there was a run of smaller explosions it was like a nice ripple effect.

I didn't have to watch the TV, because I knew exactly what was going on by the reaction of her smoo around my cock.

By the time they were hitting the buttons for the last few big rockets, she was rubbing her tits and twisting my cock every which way as she jumped up and down on it like mad, and she timed her big, gushy 'O' for when the last one went off.

Women are mad, eh.

GO FACT YOURSELF!

FARTS

01. Smelling farts is good for you. A study by the University of Exeter found that by smelling hydrogen sulphide, the gas that makes your TURD TREMORS stink, your body can build up resistances to a variety of diseases including cancer.

02. The Yanomami people, native to the Amazon rainforest, are known to greet each other by letting one rip. Much like the average Australian TRADIE.

03. The average person ARSE YODELS 10-14 times a day. In that time your body can release up to two litres of gas. .

04. Blokes fart more than women 'cos we eat faster, allowing more air into our digestive system.

DO YOU WANT A BIGGER, THICKER, LONGER PENIS?

PENIS SCIENCE 101

When it comes to the chemistry and mechanics of the penis there are many components to take into account. Unfortunately most pills on the market, even prescription pills, only address one, maybe two of these components. You probably know that testosterone is a major trigger for penis function but what about nitric oxide ? Medicos have long known of the benefits of nitric oxide but it was only recently that the wonders of this molecule and its role in the function of the male member was discovered. So important was the discovery that the three pharmacologists who made the discovery were awarded the Nobel prize. Nitric oxide works on the vascular system and is an integral component in aiding the flow of blood into the penis thus providing for maximum growth potential.

CONCENTRATED FORMULA

The ingredients of ALL NEW TESTRONE X-TREME have been shown to increase both testosterone and nitric oxide in the blood. Commonly known as the "Viagra of the Amazon", Muira Puama is a powerful ingredient known to help increase blood flow to the penis. In so doing it expands the vascular system and interior cavities making your erection larger and harder. PLUS Tribulus Terrestris which has been used in traditional Chinese and Ayurvedic cultures for thousands of years. Only the best ingredients of the highest quality are ever used in our formulations.
